## COHES3ION - Improving the impact of regional S3

**When:** 15/10/2020 10:00 - 13:00 CET

**Organiser:** Southern Regional Assembly

**Virtual venue:** Waterford, Ireland

COHES3ION, which aims to improve the PERFORMANCE & IMPACT of SMART SPECIALISATION STRATEGY(S3) at regional level, includes 10 European partners with the common challenge of having no regional dimension to their S3. COHES3ION aims to tackle this by identifying regional smart priorities and strengthening regional coordination of innovation delivery and support players. Join the Irish partner on our next study visit to hear about the project and how a targeted S3 will help regions tackle the current challenges.

## Digital innovation for rural areas

**When:** 21/10/2020 11:00 - 13:30 CET

**Organiser:** IrRADIARE, Science for Evolution

**Virtual venue:** Brussels, Belgium

Beyond showcasing best practices, the event will provide a unique meeting opportunity for innovators in the energy sustainability and digital innovation field to gather, exchange and co-design creative solutions in the regions. The event will disseminate ideas for Smart Villages in Europe and ultimately contribute to balancing urban and rural possibilities for all Europeans. Participants will exploit the potential of ICT technologies for economic and social opportunities in rural areas.
